

Our Pastor Rev. Dr. Kelvin S. Jones

Pastor Kelvin Jones has been described as “easy to talk to” and “very approachable.” He loves to answer questions and enjoys having children in the service. His messages are Bible-based and very understandable. People say they learn a lot by listening to him. With seminary degrees and years of experience as a pastor, he has been able to bring leadership to our long-range planning process.

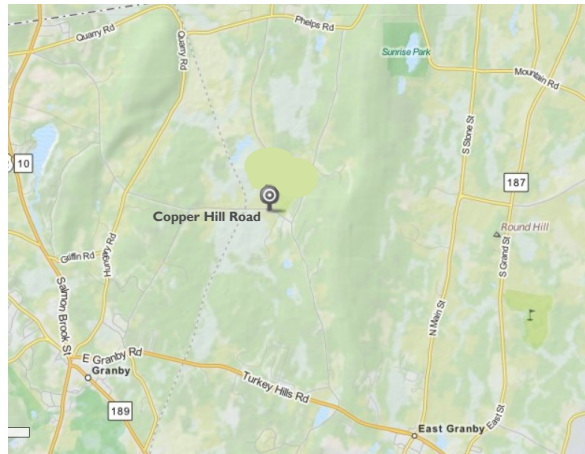

His wife JoAnne enjoys sharing her musical training with the congregation by playing piano, keyboard, harp, and accordion. She also directs our choir and arranges music. She has experience working with children and leads our “Children’s Moment” during the service.

Sunday's "Children's Moment"

Our Purposes

As followers of Jesus, we gather weekly for worship, seeking to serve God and others. We spend time praying, studying the Bible to learn God's ways, and practice the sacraments of baptism and Communion.

God's Word leads us to:

- ◆ Love God
- ◆ Love and serve others
- ◆ Help others follow Jesus
- ◆ Encourage families
- ◆ Care for creation

Because of our location near three village centers, we seek to serve the people of East Granby, Granby, and Suffield.

Our story

Copper Hill United Methodist Church was founded in 1816. Our historic sanctuary dates to 1839. We are experiencing renewal and have a Vision 2020 Plan in place to guide us as we prepare for the future. We've made several recent upgrades and improvements to our building.
